

# Student Organisations Corona Guidelines

UT – SU – Student organisations

The students at our university desire clearer communication around new and ever-changing corona measures. We strive to keep a template like this updated with SU, CFM and C-CvB. The SU will keep an updated document like this on our website. If there are any questions regarding the content of this document, please ask the portfolio holder of the Student Union who is responsible for that part of the document. This is stated below each header.
