

## EXAMPLES OF WHAT THE FUND CAN BE USED FOR

### REGULAR

#### Food

- Vegan / vegetarian instead of meat for breakfast/lunch/dinner

#### Committee clothing

- Instead of buying new clothes yearly have pass on clothes (for example a vest/blouse)

#### Reusable cutlery/plates/cups

- Instead of buying single use plastic for events.

#### Merch

- If your association can make the (clothing) merch from sustainable sources and is planning on doing this in the future as well (also without the fund)
- Have a Billie Cup or other reusable mug instead of single use plastic.
- Offer recycled notebooks / other office supplies instead of non-recycled notebooks / office supplies.

#### Energy friendly appliances

- Toaster
- Fridge

#### Car Rental

- Instead of renting a gasoline car rent an electric car instead.

### OUT OF THE BOX

#### Food

- Vegan cooking course

#### Reusable event materials

- Banner for events that occur yearly. Less material needed because printing flyers is less needed with a banner

#### Sewing machine

- Not needed to buy new clothes when clothing is broken

#### Equipment for activities that promote sustainable behaviour (these events can then be done every year)

- Garbage pickers

#### Lunch Lectures

- Offer (lunch)lectures about sustainability / sustainable topics with for example guest speakers .
